**2019/20 Membership Directory
available Jan. 2019**

- **Locate NDGAA members for your clients that are relocating**
- **Help you to stay in touch with fellow groomers**
- **Will tell you at a glance if groomers advertising as members in YOUR AREA are active members (please call office to confirm)**

We are offering all members the opportunity to obtain an Official 2019/20 Membership Directory! This 15th edition will contain over 2,500 names and addresses of both Registered & Certified members. If you joined the association after December 1st, 2018 you will not be listed in this issue. All members will be listed by state, then alphabetically by city. The directory is a great reference tool.
